Membership December 31,2005		203

Wor. Bro. Edward W. O'Brien had a very good year. The officers were busy working candidates, they did fine work and the candidates were impressed with the degrees they received. Also working with the American Red Cross during the blood drives and have been active in the Child Identification Program (CHIP) assisting in interviewing the children, finger printing and video taping over Three Thousand (3000) children. Work has been done on the Lodge building. There is still a lot to be done The electrical system in the kitchen will have to be upgraded by running a separate circuit to the garbage disposal, adding outlets in the dinning area, sealing drive way, parking area and mark off the parking lot to accommodate better parking. I look forward to an exciting year for 2006 with the new Master and his officers; two of witch was raised this year. Brethren your Lodge is alive and doing well. With young members coming in I look forward for it to continue. I wish the new master the best and a successful year.

Respectfully Submitted

RW Edward W. O'Brien  
Historian of Saccarappa Lodge #86
