This year started to be differ cult to get organized. After the lose of our charter for six mouths we had a back log of candidates in various stages to be voted on, to work the EA Degree, the FC Degree and the MM Degree. A new line of officers had to be committed to all the stations. Bro. William Murphy was installed Master Of Saccarappa Lodge# 86. A full line of officers, elected and appointed was established. With a lot of hard work and many rehearsals your officers raised four MM's and initiated two EA's .Four of these candidates came forward to become officers in the line. Your Worshipful Master had to endure four operations as well as managing his lodge. Your lodge took part in the" All Westbrook Day" by renting a booth and held a chips program where the team processed thirty-eight children. A front window, door to the boiler room and the back door to the Lodge Hall were replaced and painting was done. Thanks to a lot of help from two of our newly raised MM's, Bro. Royal Hoyt and Bro. William La Croix. Brethren I have seen a lot of improvements in your lodge, with all the hard work your officers are doing we will excel again.

Respectfully Submitted
