Another year has passed. Wor. Bro. Bruce W. Iverson had a very good year. Your Lodge Officers did the work in several degrees and the average attendance had improved from the year before. With a lot of hard work and many rehearsals your officers Raised 3 MM, Initiated 4 and Pasted 1 to the degree of a FC. They were pleased to be able to perform the Masonic Service on six deceased Brethren. Thanks to Royal Holt, Bro. William La Croux and Wor. Bro. Paul Lasley new pillars were made and installed to support the canopy at the entrance to the Masonic building. Numerous other jobs were done to keep the grounds and building in order. Your brethren purchased Fifteen (15) new fiberglass lightweight tables for the dinning room in memory of a brother, farther or friend. Little plats were placed on the tables in their memory. A new year has started with a full line of officers, several of which have been newly raised and have started on their journey up the ladder.

Respectfully Submitted
