Another tear has pasted. Wor. Bro. Burton Babbage had an excellent hear. Your Lodge has made big improvements in the last two years. Committees were formed; changes were made for the good of the order and improvements to the ritual to empress the candidate. They initiated one passed one and raised four to the sublime degree of a MM. They held special meeting for Masonic serves and a special day to have an open house. This day was celebrated through the State to allow the public into our Lodge. Represented in your Lodge were the Worshipful Master and other officers, the commander of Portland Commandery and the Worthy Matron of Mezpah Chapter #5 Coffee and donuts were served in the morning. Hot dogs with beverage for lunch. Numerous charities, brothers, widows have received the benefits of your Lodge. Your Lodge has started to see the results of young candidates that have joined. They are getting active and taking a chair in the line. The sad part there has been a lot of sickness in your Lodge this year but the good part they have all recovered will. A new year is about to start as our Master is returning to the East again with the other four top officers returning to their chairs. With Two or Three candidate ready to finish or start, I see another year of good fellow ship.

Respectfully Submitted
