HISTORY REPORT FOR 2001

W Bro. Bruce Henderson had a good year as Master of Temple Lodge # 86. W Bro. Bruce Henderson consented to be Master of this lodge for the second time. This was a big year for W Bro, Bruce Henderson as this was the year that Temple Lodge #86 and Warren Phillips Lodge #186 each formed a committee to discuss the possibility of a merger of the two lodges. Both lodges did a lot of work and in the end it was voted by both lodges to merge as one. A new name was established and a different meeting night was agreed upon. Thus this merger became a success.
